

**NORTH SALT SPRING WATERWORKS DISTRICT  
APPLICATION FOR LONG-TERM WATERING PERMIT  
DURING LEVELS 1 to 4 CONSERVATION**

Complete this application and return it to the Waterworks office for:

- Permission to water outside of regular watering times as detailed in the District’s Water Distribution Bylaw #274, or
- Permission to water playing fields outside of regular watering times and/or regulations as detailed in the District’s Water Distribution Bylaw #274

Applications are reviewed within 1-2 business days of receipt. Permits, if approved, are for the duration of conservation regulations. A permit may be rescinded at any time at the District’s discretion if drought circumstances or system issues warrant. Permits, once received, must be displayed.
